

Camp Dates:

June 8th - July 10th

Children enjoy getting involved in diverse activities. It keeps their attention, keeps them on task, and keeps them motivated to do more and “looking for what’s next.”

Keeping that in mind, we have designed a summer camp program which offers many different activities for children

to participate in throughout the course of the day.

Reaching out to children through Christian leadership, activities and love.

We do not have weekly themes during summer

camp. Children rotate to activities that increase their intellectual, physical, social and emotional skills and development. Activities include but are not limited to Christian activities, crafts, sports, music, free time, story time, water play, movies and much more.

Summer Camp Information

Aldersgate strives to provide a quality, safe, nurturing, loving and Christian summer camp program to children in rising Kindergarten through rising 6th grade. We do this by offering a variety of activities for children to participate in during the day. We maintain low student to staff ratios. Children engage in many activities including, but not limited to, group games, outdoor recreational time, crafts, cooking, music, sports, and free time.

We are open

Monday—Friday, 7:30 am-6:00 pm

We will be closed July 3rd.**

Children only need to bring a bag lunch (nothing that needs to be heated or refrigerated). Children will be divided by their age groups and rotate to different activities throughout the day.
