Week 1: Where the Wild Things Are

Lions, Tigers and Bears! Kids love animals and the tougher the better. At camp this week we will discover all about wild animals. We will have animal crafts, play animal games, and learn where and how these animals live. We will even have a visit from some "wild" animals.

Week 2: Mad Scientist Week

October 5th – 9th

We will have lots of fun making gooey experiments and see why things work the way they do. We will also have a special scientist guest who will lead us in some science discoveries.

Week 3: Lego Mania!

October 12th – 16th

Back by popular demand! ☺ Let's Build! We will create our own Lego masterpieces each day. We will display them in the hall so everyone can see them. We will also have a visit from the Lego Robotics team from Museum of Life and Science.
