

Aldersgate Preschool

Happy February!

Springtime was in the air this week! Unfortunately, winter decided to make a comeback.... At least we have lots of activities to keep us busy until the weather outside is beautiful.

Prevent Blindness will be here in February to administer their screening to the children. They take a picture of the children's eye and can tell if they would benefit from glasses. They help at least 2 children every year. It is a wonderful program.

We will be hosting a Scholastic Book Fair, March 20-24. There will be a fun breakfast for families and Spirit days during the week of the Book Fair. Look for more information coming home soon.

I wish each of you a wonderful Valentine's day. My Valentine's wish is for your child to know how special they are to us at Aldersgate
Weekday School.
