Scholastic Book Fair!!!!	25th - Mar. 1st

February has arrived and it is cold! I was so glad that no one was blown away by the wind in carline today.

We have lots of activities to look forward to in February. My favorite is the **BOOK FAIR!** The Book Fair will be held in the gym Feb. 25th thru March 1st. This is a great fundraiser for our school—we are able to buy books, colorful carpets for the classrooms and furniture with our scholastic dollars.

Carline to pick up on Wednesday February 6th

On Wednesday, Feb. 6th the church is hosting a Pastor's meeting for 100 ministers. It begins at 10 am so morning carline will be as usual.

There will not be enough parking spots for parents to park and walk in to pick-up so we will be having afternoon carline as well.

It will follow the same procedure as the morning carline. Please buckle your child into their seat—this helps keep things moving along.

We will begin carline at 11:45 for our 3 year old classes.

Please make sure you stop and give the teacher at the beginning of carline your child's name so they will be ready when you pull up to the front.

February is Dental Health Month

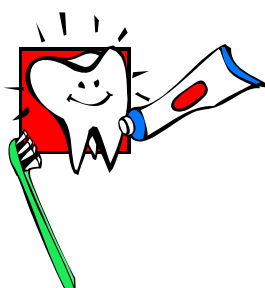

On February 4th and 7th we will have a Dental Assistant come and speak to all the students.

She will talk with them about how to take good care of your teeth.

She has a great puppet that helps get the point of eating healthy and brush-

ing and flossing daily across to the children.

Thank you Pat!

Playing in the gym

We are so blessed to have the gym to play in when the weather is cold or rainy.

If you could help us by reminding your children not to play in the curtains that would be a big help. They just came out last

Lunch Bunch

Lunch Bunch has been filling up!

We can have up to 40 children each week for Lunch Bunch. So don't wait to return your form :)

week to re-attach some of the curtains to the track.

Thanks so much!
